

## BENTSAI BT-HH6210 Series

The Newest Handheld Printer from BENTSAI

BENTSAI 6210B and 6210BL handheld printer guns are the latest innovations from BENTSAI. With the ability to print the finest characters at just 0.8mm to 25.4mm in height, these printers are engineered to meet the needs of businesses seeking small character coding and marking with unmatched ease and precision.

### Key Features

- Adjustable Print Height: 0.8mm – 25.4mm (Supports 1–5 lines of printing)
- High Resolution Printing: 300 DPI for crisp and clear markings
- Comprehensive Printing Content: Text, numbers, date & time, QR codes, DM codes, barcodes, pictures, variable data (barcode, QR, DM, text). Combine logos, dates, and codes in a single print.
- Broad Material Compatibility: Prints seamlessly on both porous and non-porous surfaces including wood, cardboard, plastic, ceramic, glass, metal, aluminum foil, fabric, paper, gypsum board, fiberboard, and leather.
- USB File Printing Support: Import external fonts (TTF) and print files directly from a USB drive (TXT, JPG, PNG, BMP formats) — ideal for batch labeling.
- Extended Battery Life: Up to 16 hours of continuous operation ensures uninterrupted productivity.
- User-Friendly Operation: Lightweight, ergonomic design with an intuitive touchscreen interface.

### Specifications

Specification	Details
Model Number	BENTSAI BT-HH6210B Portable Handheld Inkjet Printer
Ink Cartridge Model	EB22 Series: B, C, M, Y, G, W EB21 Series: B, C, M, Y
Ink Type	Fast-Dry Solvent Ink / Water-Based Ink
Cartridge Capacity	42ml
Working Hours	Up to 16 Hours Continuous Printing
Printing Accuracy	300 DPI
Printing Fonts	Vector Font, Dot Matrix Font

Internal Memory	50MB
Printing Height	0.8mm – 25.4mm (Supports 1–5 Lines of Printing)
Supported Image Formats	PNG, JPEG, BMP
Special Features	Text, Code, Date Edit & Printing; Variable Data Printing; Group Print; File Input & Output
External Interface	USB Interface, Power Interface
Indicator Light	Green: Ready / Blue: Printing / Red: Alarm
Operating System	Linux
Dimensions (L×W×H)	126 × 41 × 204 mm (4.9 × 1.6 × 8.0 in)
Weight (with Battery)	410g (0.92 lb)

### Why Choose BENTSAI 6210 Series

- High-precision printing up to 25.4mm height on various surfaces
- All-day battery life for uninterrupted operation
- Compact, lightweight, and industrial-grade durability
- User-friendly interface with powerful functionality
- Perfect for manufacturing, packaging, warehousing, and logistics applications
